### 5. International Historic Grand Prix, JIM CLARK - REVIVAL 2009 15. – 17. May 2009, EuroSpeedway Lausitz

Dear oldtimer and classic car friends, automobile clubs, automobile interest groups,

We have especially reserved a special parking lot beside the drivers' paddock of the race series at the EuroSpeedway Lausitz. You can present your classic car ( even your modern exotic ones ) and / or your automobile club, etc. free of charge.

From Friday to Sunday, all cars which are parked here are cordially invited to participate in the guided presentations on the race track and hereby get a "whiff of the racing atmosphere".

Furthermore you will have the possibility to take part in the tourist trip on Friday evening to the fantastic historic city of Dresden followed by a visit to the unique historic workshops, dealers, etc. of the "Zeitenströmung".

The "JIM CLARK-REVIVAL Tourist Tour" through the region will start directly from the special parking lot for all classic cars friends on midday – Saturday.

All these extraordinary benefits such as free access to the grandstands, pits and the drivers' paddock as well as a special parking pass and a JCR-programme brochure are included in the price for the Classic Ticket (Classic-Day-Ticket 25,- €, Classic-Weekend-Ticket 40,- € - see JCR-Ticket price list). Please register yourself in regards to your lot reservation with the Classic Car & Clubs – Registration Form.

We will also be very happy to display and link up your Logo on our website under Programme – Classic Cars and Clubs - free of charge of course. If you should need any JCR-Flyers and JCR-Posters, please let me know.

With sporting regards
