

Dear friends of the JIM CLARK-REVIVAL,

First of all, thank you very much for your numerous comments in regards to the cancellation of the JIM CLARK-REVIVAL 2009 at the Hockenheimring. Your moral support has really helped a great deal towards finding a new suitable location at such short notice.

I am very pleased to inform you that the 5. International Historic Grand Prix, JIM CLARK-REVIVAL will take place in the familiar form - that means with the complete supporting programme like the participation of the most spectacular race series of Europe, the unique classic cars meeting, the numerous automobile clubs, various traders and exhibitors, the JIM CLARK-REVIVAL Tourist Tour, a Guinness world record attempt, free access to the grandstands, to the drivers' paddock, the pits, etc. - on **14. - 17. May at the EuroSpeedway Lausitz** (directly at the A 13 between Dresden and Berlin). And of course all these attractions for almost historic low-priced tickets once again.

The JCR website will now be updated under high pressure and I think that most of the positions such as downloads, documents, the travel map, information about the race track, hotel lists, etc., etc will be available by next week.

Be sure to look forward to receiving our next JIM CLARK-REVIVAL-Newsletter with more detailed Event-Information.

With sporting regards

Ronny G. Bredhauer
Chief Organiser JCR
