5. International Historic Grand Prix, JIM CLARK - REVIVAL 2009 15. – 17. Mai 2009, EuroSpeedway Lausitz

Dear friends of the JIM CLARK-REVIVAL,

After the "relocation" from the Hockenheimring to the EuroSpeedway Lausitz due to problems with the dates, the 5. International Historic Grand Prix, JIM CLARK-REVIVAL (the Original on Tour) promises to be a great success once again. 10 international race series, a large Classic Cars and Automobile Club area, various trading and presentation stands, the JCR-Tourist Tour, free access to the grandstands, the drivers' paddock and the pits, etc, etc,- each of these features make the "automobile heart" beat faster. You will find extensive information on our website: www.jimclark-revival.com

And to make sure that this will continue to stay this way, we urgently need your support. For this reason, we have created the JIM CLARK-REVIVAL Supporters Club. Please support us and become a club member. Take advantage of the numerous benefits which a membership in the "JIM CLARK-REVIVAL Supporters Club" offers.
