

5. JIM CLARK-REVIVAL at the Bremen Classic Motorshow 2009, ADAC Stand

Dear friends of the JIM CLARK-REVIVAL,

The 5. International Historic Grand Prix, JIM CLARK-REVIVAL (the Original on Tour) will be represented once again at the Bremen Classic Motorshow from 06. – 08. February 2009. The first large German motor show trade fair at the beginning of the year kicks off the optimal start of the new oldtimer and classic cars season.

As already announced in January this year, the JIM CLARK-REVIVAL which will be held from 14. – 17. May 2009 has been relocated to the EuroSpeedway Lausitz due to problems of the Hockenheimring in regards to fixing the dates. In order to be able to offer all media representatives and all those interested in extensive and detailed information in regards to the popular historic motor sports event which will take place for the fifth time, the JIM CLARK-REVIVAL must not be missed of course at the largest oldtimer trade fair of the North.

The Bremen Classic Motorshow which is taking place for the seventh time in 2009, attracts over 33.500 visitors every year from all over Germany, Belgium, the Netherlands, Great Britain and the Scandinavian countries as well as over 550 exhibitors. The trade fair fantastically presents all aspects concerning historic motor sports from Rallye and Racing on 35.000 sq.m fair space. Organisers and clubs, extraordinary exhibits, traders and service industries grant the visitors a fascinating insight into the world of historic motor sports. The special show "British Racing Green 2009" resurrects legendary sports cars: the racing cars of Napier & Sohn "Gorden Bennett" from 1903 or the Formula 1 Lotus 49 R3 in which Graham Hill had raced – these are all painted in the typical British racing green. The Jaguar D-Type which will be presented at the car show is a very special exhibit because this car belongs to collection of Nick Mason, the drummer of the British rock band PINK FLOYD,
