

Bremen Classic Motorshow – also a complete success for the Topevent for fans of classic and historic cars, the JIM CLARK-REVIVAL

Dear friends of the JIM CLARK-REVIVAL,

The 5. International Historic Grand Prix, JIM CLARK-REVIVAL (the Original on Tour) was represented at the Bremen Classic Motorshow in the ADAC stand from 06. – 08. February 2009. This encouraging start kicked off the beginning of a promising and exciting classics and oldtimer's season. In addition to the 550 fair exhibitors, this was an eventful and overall successful weekend all around - not only for the JIM CLARK-REVIVAL.

The Bremen Classic Motorshow in 2009 even set a new record with the increase of 3.000 visitors in comparison to last year – 36.379 international visitors visited the fair area in Bremen and got into the right mood for the coming season. That was “an increase with which we are more than satisfied”, said Managing Director Hans Peter Schneider. And the concept organised by the Bremen Trade Fair to start the classic car season with the popular topic “British Racing Green” really hit the mark.

The many positive and interesting discussions which I could hold at the JCR fair stand with JCR-Enthusiasts have further encouraged me to do my very best to offer all JCR fans an unforgettable racing atmosphere as well at the EuroSpeedway Lausitz from 15. – 17. May 2009.

At this point, I wish to sincerely thank Mr Thomas Burkhardt and Mr Torsten Kugler from the ADAC Weser-Ems once again for their support during the Bremen Trade Fair.

Although the relocation of the JIM CLARK-REVIVAL to the Lausitz involves numerous alterations, it also offers prospects of implementations for new ideas and projects at the same time. I will present these plans to you all in the next JCR newsletters in order to successively increase your anticipation of the 5. JIM CLARK-REVIVAL.

For example, especially the classic and historic cars friends will get their money's worth once again. A separate area beside the drivers' paddock, numerous parades on the race track, a trip to the historic city of Dresden, the JIM CLARK-REVIVAL Tourist Tour through the region, a Welcome Party, etc. – all these aspects will certainly delight all participants. Several classic car clubs have already announced their participation. The "Ford Mustang Faction" will even attempt a Guinness World Record this year.

As of immediate effect, you can download a document (Classic Car & Clubs – Registration) as well as the ticket price list from our website www.jimclark-revival.com

Furthermore, you can already admire the first of the race series like the EuroBOSS, FIA Lurani, GTC-TC, HAIGO, Historic Formel 2, Historische Formel Vau, ISC, ORWELL Supersports, STT, etc which have confirmed their participation in the JCR at the EuroSpeedway Lausitz. Further race series such as the Group C, Interserie, Trophee Lotus, etc are still in discussion at the moment.

With sporting regards
