 - Authorities, race services and other persons or institutions, who are involved in the organisation of the events,

to claim for any injuries against body, damages against property or financial loss so long I dwell in any of the areas generally not open to the public and as long as the accidents or damages have not been caused deliberately or through negligence by the above-mentioned persons.

- §4 I am aware that the violation of § 1 would result in the revocation of my Pressticket.
- §5 The areas allocated to the members of the press by the Clerk of the Course are explicitly marked on the track sketch. I will be able to see these during the respective events.
